

State-by-State Reports

Mississippi

The State of Safety in Mississippi

Mississippi is **less concerned** about safety than most of America—dipping **below the national average** for the first time in two years.

“I don’t really have any safety concerns that keep me up at night—I do worry, from time to time, about what safety concerns might arise in the future.”

Daily concern about safety issues

Safety issue	% highly concerned	US average
General safety/security	45%	47%
