

## SafeWise August Safety Checklist

If you have time for only one or two safety tips, choose those with the most SafeWise owls. We ranked each task by priority, with one owl signifying the least urgent tasks and five owls signifying the most urgent tasks.

### Kitchen

- Scrub Out Microwave
- Deep Clean Stovetop and Oven
- Clean Garbage Disposal

### Bathrooms

- Remove and Clean Showerheads

### Bedrooms/Living Spaces

- Create a Child Safety Kit
- Deep Clean Carpets
- Organize Mudroom
- Upgrade to Energy-Efficient Bulbs
- Tighten and Lubricate Door Hinges

### Basement

- Inspect Basement and Crawl Spaces for Moisture
- Test and Reset Ground Fault Circuit Interrupters (GFCIs) in Outlets and Check Cords
- Remove Water Heater Residue

### Hallways

- Test and Change Detector Batteries

### Outside

- Maintain Yard  Growth
- Mend Cracks and Gaps in Driveways and Walkways

Finish your list and enjoy the satisfaction of a job well done before you head into a new season of home maintenance.
